A MESSAGE FROM EMMANUEL (CEO)

Dear Team,

I am thrilled to bring you the latest updates from our Family Assessment Centre, Supported Accommodation and Children's Home. As we move forward with our mission to provide outstanding outcomes for children and families, I am proud to share some exciting developments that demonstrate our commitment to excellence and empowerment.

Firstly, with the goal of enhancing efficiency across our services, we have restructured our organisation structure and introduced a Head of Operation/Responsible Individual role. Please join me in welcoming Helen Hoggins. Helen's impressive background includes over 30 years of experience working with children and young people, especially those with special educational needs and early childhood trauma. Her expertise and extensive experience in senior leadership roles within various organizations make us confident in her ability to contribute significantly to our team.

Furthermore, I am pleased to share that Ryan has taken on the role of Family Assessment Practitioner. With his passion for supporting families and his expertise in the field, I am certain that Ryan will make a positive impact on the lives of those we serve.

In line with our commitment to continuous improvement, I am thrilled to announce that we are now an approved NCFE centre for the Diploma in Residential Childcare. Applaud to Gary and all his effort to seeing this through. This accreditation reflects our dedication to providing high-quality training and development opportunities for our staff, ensuring that we are equipped to deliver the best possible care to children in our residential setting.

I am also incredibly proud to recognize the exceptional work of our Supported Accommodation team, led by Gary. Their dedication and innovation have been recognized, and we are honoured to have won the prestigious award for "Most Empowering Youth-Led Social Care Business 2023 - South East." This achievement underscores our team's commitment to challenging the status quo and empowering young people to thrive.

For our Children's Home, we are diligently responding to Ofsted's feedback and making the necessary changes to fulfil our mission. We are determined to achieve outstanding outcomes by 2026, and we will not rest until we surpass the needs and expectations of the children and families in our care.

As we move forward, it is essential that we all live and breathe our mission statement. At the end of each day, let us take a moment to reflect on how we have gone above and beyond to exceed the needs of the children and families we support. Together, we can make a lasting difference in their lives and create a brighter future for all.

Thank you for your unwavering dedication and commitment to our mission. Together, we will continue to make a positive impact on the lives of those we serve.

SUPPORTED ACCOMMODATION

A MESSAGE FROM GARY MACEY (SERVICE MANAGER)

During a meeting convened with several professionals concerning a young person at Gillett Road, a social worker displayed strong emotions in response to the evident growth and support provided to the individual, primarily by Carmelina. The young person had encountered difficulties in establishing positive relationships and managing their mental health. However, the positive feedback received highlights the effectiveness of a dedicated team, consistently offering support and serving as role models. This reassures us that we are steadily progressing towards achieving our mission **We will accomplish Outstanding Outcomes by 2026 by exceeding children's & families' needs because we challenge the status quo.**
