EMPLOYEE NEWS

Last month, we have welcomed the following new starters:

Temilayo and Sola

WELCOME TO THE GREEN HARVEST TEAM!

Officially we're now in Autumn, so we need to make sure that our boilers, heaters and radiators are working perfectly.

Each home will be given a 24/7 Home Rescue poster, that contains all details on how to make a claim.

COMPASSION UK

Green Harvest for years have been supporting Compassion UK, which is a charity that is very close to our hearts.

Worldwide, 356 million children live in extreme poverty, this robs children of their basic rights to learn, play and grow. Every child born into poverty faces a unique combination of challenges

We have been sponsoring 10 children and are looking to add more. We would like to extend this to everyone as it is a passion of the company and if anyone is interested, we will match what you do accordingly. The price to sponsor a compassion child is £28 per child per month.

"When you sweat in the shower, doesn't that make you a sweater?"

"If you drop soap on the floor, is the floor clean, or is the soap dirty?"

"When you feel bugs on you even though there are no bugs on you, are they just the ghosts of the bugs you've killed?"
